

Your GuidanceResources® Program: Caregiving Support

With so many options, finding the right fit for your child or elder care needs can feel overwhelming. Whether you're looking for a nanny or day care for your child, or an in-home nurse, part-time caregiver or assisted living facility for your elderly or disabled parent, your Employee Assistance Program can help.

Just call your program's toll-free number. A local work-life specialist will research your options and provide a complete list of referrals best suited to your needs and, especially, the needs of your loved ones. Here are some further examples of how we can help:

Child Care

Talk to us for:

- Finding day care centers, nannies or other in-home caregivers
- K-12 schools
- After-school programs or summer camps
