

THANKS FOR BEING PART OF THE VSP FAMILY!

It's clear that eye health is important to you—that's great! At VSP®, we love eyes and want to help you get the most from your vision coverage.

USING YOUR VSP BENEFIT IS EASY.

Find your eye care provider

Find the eye care provider that is right for you by visiting **vsp.com** or calling **800.877.7195**. When you use an in-network provider, like a Premier Program location, you'll get the personalized eye care you deserve and enjoy a wide selection of featured frame brands.

Review your benefits

Review your benefit information by creating or logging onto your member account at **vsp.com**.

Print and use the card below

At your appointment, tell them you have VSP. While no card is required, you can use the cards below for reference. You can also print more cards for you and your dependents by logging onto your account at **vsp.com**.

For more information about your coverage or if you have any questions, give us a call at **800.877.7195** or visit **vsp.com**.

Thanks for choosing VSP!
