You may need to contribute to the remaining cost of coverage through payroll deduction so that your benefit program is more comprehensive and responsive to your needs.

The following pages describe the main provisions of the life insurance plan available to you.

Insurance benefits described in the following pages will apply to you if your Employer has made this coverage available to you at no cost or you have elected the benefit and authorized payroll deduction for the required premium.

WHO IS ELIGIBLE

Classes of Eligible Persons

A person may be insured only once under the Basic Life portion of the Policy even though he or she may be eligible under more than one class. A person may also be insured only once under the Voluntary Life portion of the Policy as an Employee, Spouse or Dependent Child, even though he or she may be eligible under more than one class.

An Employee who is the Spouse of another Employee may not be insured for Voluntary Life Insurance as both an Employee and as a Spouse at the same time.

Any Employee, who is eligible for Voluntary Life Insurance, will not be eligible to be insured as a Dependent Child of another Employee.

If an Employee is eligible and has enrolled as the Spouse of another Employee, but ceases to be eligible to maintain the amount of insurance for which he or she has enrolled as a Spouse, that Employee may, within 31 days, enroll for coverage as an Employee, in an amount equal to the lesser of (1) the amount of Spouse Voluntary Life Insurance terminating, or (2) the maximum amount of Employee Voluntary Life Insurance for which the Employee is eligible. The Insurability Requirement does not apply. If this amount is not equal to a Voluntary Life Insurance coverage option, it will be adjusted to the next higher available Voluntary Life Insurance coverage option. This provision shall be in lieu of the Policy's provisions, if any, regarding coverage changes following Life Status Changes.

If a Spouse is eligible and has enrolled for Voluntary Life Insurance as an Employee, but ceases to be eligible to maintain the amount of insurance for which he or she has enrolled as an Employee, the Spouse may, within 31 days, instead become enrolled as a Spouse of another Employee, in an amount equal to the lesser of (1) the amount of Employee Voluntary Life Insurance terminating, or (2) the Maximum Benefit Amount of Spouse Voluntary Life Insurance for which the Spouse is eligible. The Insurability Requirement does not apply. If this amount is not equal to a Voluntary Life Insurance coverage option, it will be adjusted to the next higher available Voluntary Life Insurance coverage option.

A Dependent Child of two or more Employees may only be insured once under the Policy. If an Employee who has elected to insure Dependent Children ceases to be eligible to do so, then the Employee's Spouse may, within 31 days, elect to insure Dependent Children, provided he or she is insured as an Employee. In all cases, "Dependent Child" shall be defined with respect to the Employee who has enrolled dependent children.

In all cases, amounts of insurance referred to in these provisions shall be determined before the application of any reductions in benefits due to age.

Any amount of Voluntary Life Insurance Coverage which cannot be continued under the above provisions may be subject to the Conversion Privilege.

Employee

If you qualify under the Class Definition shown in the Schedule of Benefits, you are eligible to be insured on the Policy Effective Date or the day after you complete the Eligibility Waiting Period, if later. The Eligibility Waiting Period will not apply if you are in Active Service on the Policy Effective Date and you satisfied the Eligibility Waiting Period, if any, of the Prior Plan. Credit will be given for any time you satisfied.

If you have previously converted your insurance under the Policy, you will not become eligible until your converted policy is surrendered. This does not apply to any amount of insurance that was previously converted under the Policy due to a reduction in your Life Insurance Benefits based on age or a change in class unless those conditions no longer affect the amount of insurance available to you.

Except as noted in the Reinstatement Provision, if you terminate coverage and later wish to reapply, or if you are a former Employee who is rehired after the time period shown for rehires under the Eligibility Waiting Period, a new Eligibility Waiting Period must be satisfied. You are not required to satisfy a new Eligibility Waiting Period, if insurance ends because you are no longer in a Class of Eligible Employees, but continue to be employed by the Employer, and within one year you become a member of an eligible class.

Spouse

Your Spouse is eligible to be insured on the date you are eligible or the date he or she becomes your Spouse, if later. You must be insured for Voluntary Life Insurance in order to elect spouse coverage.

For eligibility purposes, your Spouse must be a lawful Spouse and not legally separated from, divorced from, or widowed by you.

Dependent Child

Your Dependent Child is eligible to be insured on the date you are eligible or the date the child becomes a Dependent Child, if later.

In no event will a Dependent Child be eligible to be insured more than once under the Policy.

TL-004710-1

WHEN COVERAGE BEGINS

You, your Spouse and Dependent Children will be insured for an amount not to exceed the Guaranteed Issue Amount on the date you become eligible, if you are not required to contribute to the cost of this insurance.

You and your Spouse will be insured for an amount that exceeds the Guaranteed Issue Amount on the date we agree in writing to provide this coverage. We will require an eligible person to satisfy the Insurability Requirement before we agree to insure him or her.

If you are required to contribute to the cost of this insurance, you may elect insurance for yourself, your Spouse and Dependent Children only by authorizing payroll deduction in a form approved by the Employer and us. The effective date of this insurance depends on the date and amount of insurance elected.

If you elect coverage within 30 days after you become eligible to enroll or increase coverage, the Guaranteed Issue Amount will be effective on the latest of the following dates:

1. The Policy Effective Date.
2. The date you authorize payroll deduction for this insurance.
3. The date the Employer or Insurance Company receives the completed enrollment form.

If you or your Spouse elect insurance in an amount that exceeds the Guaranteed Issue Amount or if your enrollment form is received more than 30 days after you become eligible to elect coverage, this insurance is effective on the date we agree in writing to provide this coverage. We will require an eligible person to satisfy the Insurability Requirement before we agree to insure him or her.

If coverage for a Dependent Child is in force and another Dependent Child becomes eligible, coverage for that child is effective on the date he or she qualifies as a Dependent Child.

If you are not in Active Service on the date insurance would otherwise go into effect, it will be effective on the date you return to Active Service.

If an eligible Spouse or Dependent Child is:

1. an inpatient in a hospital, hospice, rehabilitation or convalescence center, or custodial care facility; or
 2. confined to his or her home under the care of a Physician
- on the date insurance would otherwise be effective, it will be effective on the date he or she is no longer an inpatient in these facilities or confined at home. If such Spouse or Dependent Child was covered by the Prior Plan immediately prior to the Policy Effective Date, this provision will not apply to the amount of coverage in effect as of the Policy Effective Date, but will apply to any increase in coverage. This does not apply to a Dependent Child who is age 6 months or less.

TL-004712

Takeover Provision

Special Terms Applicable to Previously Insured Employees Not in Active Service and Their Dependents

Coverage will not go into effect for you, or your Spouse and Dependent Children unless you are in Active Service on the date you would have first become eligible to be insured under this Policy.

2. if you, your Spouse or Dependent Child die, we agree to provide a Death Benefit only equal to the lesser of:
 - a. the amount due under this Policy (had you satisfied the Active Service requirement), or
 - b. the amount that would have been due under the Prior Plan had it remained in force.

The benefit amount will be reduced by any amount paid by the Prior Plan, or that would have been paid had this Policy not been issued and had timely filing of the claim been made under the Prior Plan.

These special terms will end on the earliest of the following dates:

1. the date you meet the Active Service requirements;
2. the date insurance terminates for one of the reasons stated in the Termination of Insurance provision;
3. 12 months after the date you first become eligible under this Policy; or
4. the last day you, your Spouse or Dependent Children would have been covered under the Prior Plan if coverage under that plan for you, your Spouse or Dependent Children was still in force.

WHEN COVERAGE CONTINUES

In these circumstances, your insurance may continue as follows.

1. For an Employer approved unpaid leave of absence, up to up to 60 days.
2. For an Employer approved family medical leave, up to the later of the period of the approved FMLA leave or the leave period required by the laws of the state in which the Employee is employed.

Continuation for Disability for Employees over Age 60

If you become Disabled and are age 60 or over, the Life Insurance Benefits shown in the Schedule of Benefits will be continued, provided premiums are paid, until the earlier of the following dates:

1. The date you are no longer Disabled.
2. The date you are Disabled for 12 consecutive months.
3. The date coinciding with the end of the last period for which premiums are paid.
4. The date the Policy is terminated.

Amount of Insurance

If you die while you are Disabled and coverage is continued under this provision, we will pay a Death Benefit equal to the amount in effect on the date you became Disabled. However, the Life Insurance Benefit will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, payment of an Accelerated Benefit or a change in class. Automatic increases in Life Insurance Benefits will end while coverage is continued under this provision. We will pay benefits only if due proof of your continuous Disability is received within one year of the date of the loss.

“Disability”/“Disabled” means because of Injury or Sickness you are unable to perform all the material duties of your Regular Occupation; or are receiving disability benefits under the Employer’s plan.

“Regular Occupation” means the occupation you routinely perform at the time the Disability begins. We will consider the duties of the occupation as it is normally performed in the general labor market in the national economy.

Extended Death Benefit with Waiver of Premium

Extended Death Benefit

If you become Disabled and are less than age 60, the Life Insurance Benefits shown in the Schedule of Benefits will be extended without premium payment until the earlier of the following dates:

1. The date you are no longer Disabled; or
2. 12 months after the end of your Active Service.

Amount of Insurance

If you die while you are Disabled and coverage is extended under this provision, we will pay a Death Benefit equal to the amount in effect on the date you became Disabled. However, the Life Insurance Benefit will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, payment of an Accelerated Benefit or a change in class. Automatic increases in Life Insurance Benefits will end while premiums are waived. We will pay benefits only if due proof of your continuous Disability is received within one year of the date of the loss.

“Disability”/“Disabled” means because of Injury or Sickness you are unable to perform the material duties of your Regular Occupation; or are receiving disability benefits under the Employer’s plan.

“Regular Occupation” means the occupation you routinely perform at the time the Disability begins. We will consider the duties of the occupation as it is normally performed in the general labor market in the national economy.

Waiver of Premium

If you submit satisfactory proof that you have been continuously Disabled for 9 months, coverage will be extended up to age 65.

Such proof must be submitted to us no later than 3 months after the date the Waiver Waiting Period ends. Premiums will be waived from the date we agree in writing to waive premiums for you.

After premiums have been waived for 12 months, they will be waived for future periods of 12 months, if you remain Disabled and submit satisfactory proof that Disability continues. Satisfactory proof must be submitted to us 3 months before the end of the 12-month period.

Amount of Insurance

If you die while you are Disabled and coverage is continued under this provision, we will pay a Death Benefit equal to the amount in effect on the date you became Disabled. However, the Life Insurance Benefit will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, payment of an Accelerated Benefit or a change in class. Automatic increases in Life Insurance Benefits will end while premiums are waived. We will pay benefits only if due proof of your continuous Disability is received within one year of the date of the loss.

Termination of Waiver

Your insurance will end on the earliest of the following dates.

1. The date you are no longer Disabled;
2. The date you refuse to submit to any physical examination required by us;
3. The date you refuse to participate in a Rehabilitation Plan for which the Insurance Company determines you to be eligible;
4. The last day of the 12-month period of Disability during which you fail to submit satisfactory proof of continued Disability;
5. To Age 65.

“Disability/Disabled” means because of Injury or Sickness you are unable to perform the material duties of your Regular Occupation, or are receiving disability benefits under the Employer's plan, during the initial 9 months of Disability. Thereafter, you must be unable to perform all of the material duties of any occupation which you may reasonably become qualified based on education, training or experience, or are subject to the terms of a Rehabilitation Plan approved by the Insurance Company.

“Regular Occupation” means the occupation the Employee routinely performs at the time the Disability begins. The Insurance Company will consider the duties of the occupation as it is normally performed in the general labor market in the national economy.

Rehabilitation During a Period of Disability

If the Insurance Company determines that you are a suitable candidate for rehabilitation, the Insurance Company may require you to participate in an assessment and Rehabilitation Plan, not to exceed 18 months, at our expense. The Insurance Company has the sole discretion to approve your participation in a Rehabilitation Plan and to approve a program as a Rehabilitation Plan. If you fail to fully cooperate in all required phases of the Rehabilitation Plan and assessment without Good Cause, your insurance under the Policy will end.

“Good Cause” means a medical reason preventing participation, in whole or in part, in the Rehabilitation Plan. Satisfactory proof of Good Cause must be provided to the Insurance Company.

“Rehabilitation Plan” means a written plan designed to enable the Employee to return to work. The Rehabilitation Plan will consist of one or more of the following phases:

1. Rehabilitation, under which the Insurance Company may provide, arrange or authorize educational, vocational or physical rehabilitation or other appropriate services;
2. Work, which may include modified work and work on a Part-time basis.

“Part-time” means regularly working less than the number of full time hours set by the Employer as a regular work day for Employees in an Eligible Class of Employees in the Policy.

WHAT IS COVERED

LIFE INSURANCE BENEFITS

Death Benefit

If an Insured dies, we will pay the Life Insurance Benefit in force for that Insured on the date of his or her death.

TL-004730

Accelerated Benefits

Any benefits payable under this and under any similar Accelerated Benefits provision accelerated under a Prior Plan will reduce the Death Benefit payable for Life Insurance. We will deduct from any Death Benefit payable under this Policy, the amount of any similar accelerated benefit paid under a Prior Plan.

Any automatic increases in Life Insurance Benefits will end when benefits are payable under this provision, unless the Insured is determined by the Insurance Company not to be eligible for Accelerated Benefits.

Terminal Illness Benefit

We will pay a Terminal Illness Benefit to an Insured who has incurred a Terminal Illness while insured under this provision.

The Terminal Illness Benefit is shown on the Schedule of Benefits.

A claim for a similar terminal illness benefit under a Prior Plan or group policy intended to replace this Policy shall be deemed payable until such time as it is finally determined not to be payable.

Determination of Terminal Illness

For the purpose of determining the existence of a Terminal Illness, we will require the Insured submit the following proof:

1. A written diagnosis and prognosis by a licensed Physician; and
2. Supportive evidence satisfactory to us, including but not limited to, radiological, histological or laboratory reports documenting the Terminal Illness.

We may require, at our expense, an examination of the Insured and a review of the documented evidence by a Physician of our choice.

Such proofs must be submitted to us within the period of time provided in the *Proof of Loss* section of the Policy. For purposes of this Benefit, the date of loss shall be the date of first prognosis of Terminal Illness.

"Terminal Illness" means that, due to an Injury or Sickness, the Insured has a prognosis of 12 months or less to live without reasonable prospect of recovery, as determined by us.

Payment of Terminal Illness Benefit

The Terminal Illness Benefit will be payable in accordance with the provisions of the *To Whom Payable* section of the Policy.

The Terminal Illness Benefit is payable only once under the Policy in an Insured's lifetime.

Conditions Applicable to Coverage

Unless the Insured qualifies for waiver of premium, premium payments must continue to be paid on the full amount of group life insurance, including during any Continuation of Insurance under the Policy, in accordance with the *Premium* section in the *Administrative Provisions*.

The amount of Life Insurance which may be converted under the *Conversion Privilege* cannot exceed the amount of the reduced death benefit payable under the Policy.

Before a Terminal Illness Benefit is paid in a Community Property state, we may require the written consent of the Insured's Spouse.

Exclusions Applicable to Terminal Illness Benefit

A Terminal Illness Benefit will not be payable:

1. when the Insured has irrevocably assigned group life insurance under this Policy;
2. when all or a portion of group life insurance benefits under this Policy are to be paid to a former spouse as part of a qualified domestic relations order;
3. for any intentionally self-inflicted Injury or Sickness, or suicide attempt;
4. if the Insured's coverage ends under the *When Coverage Ends* provision prior to the prognosis of Terminal Illness;
5. if the required premium is due and unpaid;
6. if this Policy terminates prior to the prognosis of Terminal Illness;
7. if you or the Insured is only provided coverage under the Takeover provision of the Policy (Employees Not in Active Service on the Policy Effective Date); or
8. if the date of first prognosis of Terminal Illness occurs more than 12 months before the submission of the Terminal Illness claim.

Conversion Privilege for Life Insurance

Each Insured may convert all or any portion of his or her Life Insurance that would end under the Policy due to:

1. termination of employment;
2. termination of membership in an eligible class under the Policy;
3. termination of the Policy.

The Insured may apply for any type of life insurance we offer to persons of the same age in the amount applied for, except you may not:

1. choose term insurance;
 2. apply for an amount of insurance greater than the coverage amount terminating under the Policy (also, the conversion policy will not provide accident, disability or other benefits); or
 3. apply for more than \$10,000 of insurance if the Policy is terminated or amended to terminate the insurance for any class of Insureds, or the Employer cancels participation under the Policy.
- Conversion in these cases is only permitted if you have been covered by the Policy or, any group life insurance policy issued to the Employer which the Policy replaced, for at least 3 years.

If the Insured becomes eligible for coverage under any group life policy within 62 days of termination of coverage under this Policy, the Insured may not convert an amount of insurance greater than the amount of coverage terminating under the Policy less the amount for which he or she may be covered under the other policy.

To apply for conversion insurance, the Insured must, within 62 days after coverage under the Policy ends:

1. submit an application to us; and
2. pay the required premium.

Evidence of insurability is not required.

Premium for the conversion insurance will be based on the age and class of risk of the Insured and the type and amount of coverage issued.

If the Insured has assigned ownership of his group coverage, the owner/assignee must apply for the individual policy.

Conversion insurance will become effective on the 31st day after the date coverage under the Policy ends provided the application is received by us and the required premium has been paid.

If the Insured dies during the 31-day conversion period, the Life Insurance benefits will be paid under the Policy regardless of whether he or she applied for conversion insurance. If a conversion policy is issued, it will be in exchange for any further benefits for that type and amount of insurance from this Policy.

Extension of Conversion Period

If an Insured is eligible for conversion insurance and is not notified of this right at least 31 days prior to the end of the 62-day conversion period, the conversion period will be extended. The Insured will have 31 days from the date notice is given to apply for conversion insurance. In no event will the conversion period be extended beyond 105 days. Notice, for the purpose of this section, means written notice presented to the Insured by the Employer or mailed to the Insured's last known address as reported by the Employer.

If the Insured dies during the extended conversion period, but more than 31 days after his or her coverage under the Policy terminates, Life Insurance benefits:

1. will not be paid under the Policy; and
2. will be payable under the conversion insurance; provided:
 - a. the Insured's application for conversion insurance has been received by us; and
 - b. the required premium has been paid.

Prior Conversion Limitation

If an Insured is covered under a life insurance conversion policy previously issued by us, he or she will not be eligible for this Conversion Privilege unless the prior coverage has ended.

TL-009740

LIFE INSURANCE EXCLUSIONS

If an Insured commits suicide, while sane or insane, within 2 years from the date the Insured's insurance under the Policy becomes effective, Voluntary Life Insurance Benefits will be limited to a refund of the premiums paid on the Insured's behalf. The suicide exclusion applies from the effective date of any additional benefits or increases in Life Insurance Benefits.

Except for any amount of benefits in excess of the Prior Plan's benefits, this exclusion will not apply to you if you were covered under the Prior Plan for more than two years. If you were not insured for two years under the Prior Plan, credit will be given for the time you were insured.

If a Dependent Child commits suicide and is survived by other Dependent Children covered under your certificate, no refund of premiums will be paid.

CLAIM PROVISIONS

Notice of Claim

Written notice of claim, or notice by any other electronic/telephonic means authorized by us, must be given to us within 31 days after a covered loss occurs or begins or as soon as reasonably possible. If written notice, or notice by any other electronic/telephonic means authorized by us, is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at our home office in Philadelphia, Pennsylvania or to our agent. Notice should include the Employer's name, the Policy Number and the claimant's name and address.

Written notice, or any other electronic/telephonic means authorized by us, of a diagnosis of a Terminal Illness on which claim is based must be given to us within 60 days after the diagnosis. If notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written notice, or any other electronic/telephonic means authorized by us, was given as soon as reasonably possible.

Claim Forms

When we receive notice of claim, we will send claim forms for filing proof of loss. If we do not send claim forms within 15 days after notice is received by us, the proof requirements will be met by submitting, within the time required under the "Proof of Loss" section, written proof, or proof by any other electronic/telephonic means authorized by us, of the nature and extent of the loss.

Claimant Cooperation Provision

If you fail to cooperate with us in our administration of your claim, we may terminate the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Insurance Data

The Employer is required to cooperate with us in the review of claims and applications for coverage. Any information we provide to the Employer in these areas is confidential and may not be used or released by the Employer if not permitted by applicable privacy laws.

Proof of Loss

You must provide written proof of loss to us, or proof by any other electronic/telephonic means authorized by us, within 90 days after the date of the loss for which a claim is made. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is not given in that 90 day period, the claim will not be invalidated nor reduced if it is shown that it was given as soon as was reasonably possible. In any case, written proof of loss, or proof by any other electronic/telephonic means authorized by us, must be given not more than one year after the 90 day period. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is provided outside of these time limits, the claim will be denied. These time limits will not apply due to lack of legal capacity.

Written proof, or any other electronic/telephonic means authorized by us, of loss for Accelerated Benefits must be furnished 90 days after the date of diagnosis. This proof must describe the occurrence, character and diagnosis for which claim is made.

In case of claim for any other loss, proof must be furnished within 90 days after the date of such loss.

If it is not reasonably possible to submit proof of loss within these time periods, we will not deny or reduce any claim if proof is furnished as soon as reasonably possible. Proof must, in any case, be furnished not more than a year later, except for lack of legal capacity.

Time of Payment

Benefits due under the Policy for a loss, other than a loss for which the Policy provides installment payments, will be paid immediately upon receipt of due written proof of such loss.

Subject to the receipt of satisfactory written proof of loss, all accrued benefits for loss for which the Policy provides installment payments will be paid monthly; any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof, unless otherwise stated in the Description of Benefits.

Manner of Payment of Claims

The Subscriber authorizes that any benefit payment due as a lump sum of \$5,000 or more shall be credited to a draft account with the Insurance Company, in the name of the beneficiary. The beneficiary may withdraw the entire proceeds at any time by issuing one or more drafts, or may withdraw lesser amounts, subject to a minimum account balance set by the Insurance Company from time to time. Interest shall be credited to such account at rates as determined from time to time by the Insurance Company.

To Whom Payable

Employee Death Benefits will be paid to the named beneficiary on file with the Employer. The Employer shall receive and maintain records of beneficiaries designated by Employees. This shall include designations made in writing.

If there is no named beneficiary that survives you, Death Benefits will be paid to the first surviving class of your following living relatives: (i) spouse; (ii) child or children; (iii) mother and father; (iv) brothers and sisters; or (v) your estate.

All other benefits, including death benefits for dependents, will be payable to you, or the certificate owner if other than you. Any other benefits which are unpaid at your death may, at the Insurance Company's option, be paid either to your beneficiary or to the executor or administrator of your estate.

If the Insurance Company pays benefits to the executor or administrator of your estate, or to a minor or other person who is incapable of giving a valid release, the Insurance Company may pay up to \$1,000 to a relative by blood or marriage whom it believes is equitably entitled. This good faith payment satisfies the Insurance Company's legal duty to the extent of that payment.

Change of Beneficiary

You may change your beneficiary at any time by giving written notice to the Employer. The beneficiary's consent is not required unless the existing beneficiary designation is irrevocable.

A change made by you before death will be honored if it is received by the Insurance Company from the Employer before payment is made. The Insurance Company will not be liable for any payment that it makes in good faith before receiving actual notice of the change.

Physical Examination and Autopsy

We may, at our expense, exercise the right to examine any person for whom a claim is pending as often as we may reasonably require. Also, we may, at our expense, require an autopsy unless prohibited by law.

Legal Actions

No action at law or in equity may be brought to recover benefits under the Policy less than 60 days after written proof of loss, or proof by any other electronic/telephonic means authorized by us, has been furnished as required by the Policy. No such action shall be brought more than 3 years after the time satisfactory proof of loss is required to be furnished.

Time Limitations

If any time limit stated in the Policy for giving notice of claim or proof of loss, or for bringing any action at law or in equity, is less than that permitted by the law of the state in which you live when the Policy is issued, then the time limit provided in the Policy is extended to agree with the minimum permitted by the law of that state.

Physician/Patient Relationship

You have the right to choose any Physician who is practicing legally. We will in no way disturb the Physician/patient relationship.

TL-004724 as modified by TL-009370

ADMINISTRATIVE PROVISIONS**Premiums**

The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

If an Insured's coverage amount is reduced due to acceleration of a Death Benefit, premium will be based on the amount of coverage in force on the day before the reduction took place. If the Insured's coverage amount is reduced due to his or her attained age, premium will be based on the amount of coverage in force on the day after the reduction took place.

Your Grace Period

If your required premium is not paid on the Premium Due Date, there is a 60 day grace period after each premium due date after the first. If the required premium is not paid during the grace period, insurance will end on the last day for which premium was paid.

The Insurance Company shall be entitled to retain, as part of its compensation, any earnings on draft accounts created in connection with benefit claims, in excess of interest credited under the terms of the policy.

Your coverage may be reinstated without satisfying the Insurability Requirement, if your insurance ends because you are on an unpaid leave of absence and you apply for Reinstatement within 31 days of your return to Active Service.

After your insurance ends, it may be reinstated at any date prior to five years after the date of termination if the following conditions are met.

1. The Policy is still in force.
2. You are eligible under the Policy.
3. You send us a written request for reinstatement and a new enrollment form.
4. The required premium is paid.
5. The Insurability Requirement, if applicable, is satisfied.

GENERAL PROVISIONS

Incontestability

All statements made by the Employer or by an Insured are representations not warranties. No statement will be used to deny or reduce benefits or as a defense to a claim, unless a copy of the instrument containing the statement has been furnished to the claimant. In the event of death or legal incapacity, the beneficiary or representative must receive the copy.

After two years from an Insured's effective date of insurance, or from the effective date of any added or increased benefits, no such statement will cause insurance to be contested except for fraud or eligibility for insurance.

A person's insurance will not be affected by error or delay in keeping records of insurance under the Policy. If such an error is found, the premium will be adjusted fairly.

This provision shall also apply with respect to Employees whose coverage under the Policy's Takeover Provision ends, for any reason other than the Employee meeting the Policy's Active Service requirement.

For those *Employees subject to* this provision, life insurance coverage may be continued under the Policy for 18 months or until the date that the Employee becomes covered under another group policy, whichever is shorter. Coverage provided under this provision will also end if the Policy is terminated.

The premium required for continued coverage shall be the premium under the Policy applicable to the Employee's class and amount of coverage. The Employer may charge an additional amount, not to exceed 2% of such premium, for collecting premium contributions from former Employees. The Employer shall notify the Employee of the right to continue and the required premium contribution. The Employee may elect to continue within 60 days of termination by paying the required premium, and may continue coverage in force by paying the required premium, without demand, on a monthly basis, as of the first of each month, to the Employer. Coverage will end at the end of any month in which the Employee has failed to pay premium to the Employer.

If continued coverage remains in force at the end of the 18 month period, or on termination of the Policy, the Employee may choose any conversion right then available under the Policy.

In the event the Employee dies during the 60 day right to elect period without having become insured under another group policy, or dies while continued coverage is in force, the death benefit will be paid to the beneficiary chosen by the Employee under the terms of the Policy.

Continued coverage will include eligible dependents who were covered on the Employee's date of termination, provided the dependent remains eligible as a dependent of the Employee. In the event that the dependent ceases to be eligible, the dependent may choose any conversion right then available under the Policy.

APPLICABLE TO MISSOURI RESIDENTS:

Applicable to Voluntary Life Insurance Benefits

If an Insured commits suicide, while sane or insane, within 1 year from the date his or her insurance under the Policy becomes effective, Voluntary Life Insurance Benefits will be limited to a refund of the premiums paid on the Insured's behalf. The suicide exclusion applies from the effective date of any additional benefits or increases in Life Insurance Benefits.

Except for any amount of benefits in excess of the Prior Plan's benefits, this exclusion will not apply to any person covered under the Prior Plan for more than one year. If a person was not insured for one year under the Prior Plan, credit will be given for the time he or she was insured.

If a Dependent Child commits suicide and is survived by other Dependent Children covered under the same certificate, no refund of premiums will be paid.

APPLICABLE TO NORTH DAKOTA RESIDENTS:

The Suicide exclusion, if any, is limited to one year from the effective date of insurance. The suicide exclusion with respect to any increase in death benefits which results from an application of the insured subsequent to the effective date, if any, is limited to one year from the effective date of the increase.

APPLICABLE TO OREGON RESIDENTS:

NOTICE: MUST PROVIDE DOMESTIC PARTNER COVERAGE FOR OREGON RESIDENTS

APPLICABLE TO VERMONT RESIDENTS:

To the extent the Policy provides insurance coverage to a spouse, the identical consideration must be applied to same sex marriages and civil unions. The language is as follows:

1. Civil Union Partner means:
 - a. A person with whom the Employee has a registered civil union under Vermont law which imposes obligations on the parties substantially similar to marriage. Such person will continue to be recognized as a Civil Union Partner unless and until:
 - (1) the civil union is dissolved under applicable law; or
 - (2) either the Employee or the Civil Union Partner marries another person.
2. Spouse means:
 - a. "Lawful spouse" and includes a lawful spouse of the same sex.
 - b. This also includes a partner to a civil union recognized under Vermont Law.

APPLICABLE TO WASHINGTON RESIDENTS:

1. The following *Continuation of Insurance* provision is added to the Policy:

Continuation of Life Coverage During Labor Disputes

If an Employee's Active Service ends because of a Labor Dispute and his or her premium for Life Insurance Benefits under the Policy is paid either by the Employer, in whole or in part, or by the Employee through payroll deductions, then the Employee may continue his or her Life Insurance Benefits. The Employer will send written notice of the right to continue coverage to each insured Employee at his or her most recent address as on file with the Employer.

To continue coverage, the Employee must pay premiums directly to the Employer, who will remit the premiums to the Insurance Company. Premiums must be paid by the date they are due, subject to the 31 day grace period. Policy coverages and premiums will stay the same during a Labor Dispute; however, the Insurance Company may make normal changes in premium rates when the Policy is renewed, under the terms set forth in the Policy.

Coverage continued in this manner will end on the earliest of the following dates.

- a. The date the Labor Dispute has ended.
- b. The date coverage has been continued for 6 months.

If the Labor Dispute continues beyond 6 months, the Employee may apply for an individual insurance policy, as set forth in detail under "Conversion Privilege for Life Insurance."

"Labor Dispute," as used here, means a strike, lockout, or other labor dispute between the Employer and its Employees, during which time the Employee is not paid by the Employer.

2. If the Policy provides coverage to dependents, benefits for a Spouse or Dependent Child are limited to 100% of the insured Employee's coverage amount. Stand-alone Spouse and Dependent Child coverage (when Employee is not insured) is not permitted.
3. The *Suicide* Exclusion, if any, does not apply.
4. To the extent the policy includes *Accelerated Benefits*, the following resolution of disputes requirements are added to the Policy.
 - For Terminal Illness – *Determination of Terminal Illness*

In the event the Physician representing the Insurance Company disputes the existence of a Terminal Illness, and the dispute cannot be resolved, the Insured has the right to mediation and binding arbitration in accordance with Washington Administrative Code 284-23-730.

5. The *Incontestability Provision* is replaced as follows:

Incontestability

All statements made by the Employer or by an Insured are representations not warranties. No statement will be used to deny or reduce benefits or as a defense to a claim, unless a copy of the instrument containing the statement has been furnished to the claimant. In the event of death or legal incapacity, the beneficiary or representative must receive the copy.

After two years from an Insured's effective date of insurance, or from the effective date of any added or increased benefits, no such statement will cause insurance to be contested.

6. If the term “*Accident*” is defined in the Policy, it is replaced by the following:

Accident

An Accident is a sudden, unforeseeable event that causes bodily Injury to an Insured while coverage is in force under the Policy.

7. Any Domestic Partner of an Employee who is registered as a Domestic Partner under Washington state law will be deemed to be eligible on the same basis as a Spouse.

Please refer to your certificate of insurance which describes the benefit provisions and limitations applicable to you as a resident of this state.

YOUR RIGHTS AS SET FORTH BY ERISA

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefit Security Administration.

Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefit Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefit Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefit Security Administration.

WHAT YOU SHOULD DO AND EXPECT IF YOU HAVE A CLAIM

The Plan Administrator designates and names the Insurance Company the named fiduciary for deciding claims and appeals for benefits under the Plan. The Insurance Company shall have the authority, in its discretion, to interpret the terms of the Plan, to decide questions of eligibility for coverage or benefits under the Plan, and to make any related findings of fact. All decisions made by the Insurance Company shall be final and binding on Participants and Beneficiaries to the full extent permitted by applicable law.

Claims for Disability Benefits (applies to all claims filed on or after April 1, 2018)

A disability “claim” is any claim which requires a determination of disability by the Insurance Company regardless of the type of policy under which it arises (for example, short/long term disability, waiver of premium, etc.). A disability claim is “filed” as of the date the Insurance Company first receives, in writing (including electronically) or by telephone (through the Insurance Company’s intake department), notice that a claimant is seeking disability benefits under the Policy. The notice of claim received should provide the date of disability/loss, the claimant’s name and address, Social Security Number, date of birth, and the group Policy holder’s name and address. Properly filed claims will be decided with independence and impartiality.

The Insurance Company has 45 days from the date it receives a claim for disability benefits to determine whether or not benefits are payable in accordance with the terms of the Policy. The Insurance Company may require more time to review the claim if necessary due to matters beyond its control. The review period may be extended for up to two additional 30 day periods. If this should happen, the Insurance Company must provide its extension notice in writing before expiration of the current decision period, explaining the circumstances requiring extension and the date a decision is expected. If the extension is made because additional information must be furnished, the claimant has 45 days within which to provide the requested information and the time for the Insurance Company’s decision shall be tolled (stopped) from the date on which the notification of the extension was sent until the date the Insurance Company receives the claimant’s response or upon the date the requested information is required to be furnished expires, whichever is sooner.

During the review period, the Insurance Company may require a medical examination of the claimant, at its own expense, or additional information regarding the claim. If a medical examination is required, the Insurance Company will notify the claimant of the date and time of the examination and the physician’s name and location. If additional information is required, the Insurance Company will notify the claimant, in writing, stating what information is needed and why it is needed.

If the claim is approved, the Insurance Company will pay the appropriate benefit. If the claim decision is adverse, in whole or in part, the Insurance Company will provide written or electronic notice which will include the following information:

1. The specific reason(s) for the decision;
2. Specific reference to the Policy provision(s) on which the decision was based;
3. A description of any additional information required to perfect the claim, and the reason this information is necessary;
4. A description of the review procedures and the time limits applicable to those procedures, including a statement of the claimant's right to bring a civil action under section 502(a) of ERISA after the claimant appeals and after the claimant receives an adverse decision on appeal;
5. A discussion of the decision, including an explanation of the basis for disagreeing with or not following: (i) the views presented by the claimant to the Insurance Company of the health care professionals treating the claimant and vocational professionals who evaluated the claimant; (ii) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the claimant's adverse benefit decision, without regard to whether the advice was relied upon in making the benefit decision; and (iii) a disability decision regarding the claimant presented by the claimant to the Insurance Company made by the Social Security Administration;
6. Either the specific internal rules, guidelines, protocols, standards or other similar plan criteria the Insurance Company relied upon in making the decision, or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar plan criteria do not exist;
7. If the adverse decision is based upon medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the decision, applying the terms of the Policy to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request;
8. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claim for benefits; and
9. A notice provided in a culturally and linguistically appropriate manner, to the extent required by ERISA.

Appeal of Denied Disability Claims (applies to all claims filed on or after April 1, 2018)

Whenever a claim decision is fully or partially adverse, unless ERISA provides otherwise, the claimant must appeal once to the Insurance Company. As part of the claimant's appeal, the claimant may receive, upon request, free of charge, copies of all documents, records, and other information relevant to the claim for benefits, and the claimant may submit to the Insurance Company, written comments, documents, records, and other information relating to the claim. The review will take into account all comments, documents, records and other information the claimant submits related to the claim, without regard to whether such information was submitted or considered in the initial claim decision. Once an appeal request has been received by the Insurance Company, a full and fair review of the claim appeal will take place.

A written request for appeal must be received by the Insurance Company within 180 days from the date the claimant received the adverse decision. If an appeal request is not received within that time, the right to appeal will have been waived. The Insurance Company has 45 days from the date it receives a request for appeal to provide its decision. Under special circumstances, the Insurance Company may require more time to review the claim and can extend the time for decision, once, by an additional 45 days. If this should happen, the Insurance Company must provide the extension notice, in writing, before expiration of the initial decision period, indicating the special circumstances and the date a decision is expected. If the extension is made because additional information must be furnished, the claimant has 45 days within which to provide the requested information and the time for the Insurance Company's decision shall be tolled (stopped) from the date on which the notification of the extension was sent until the date the Insurance Company receives the claimant's response or upon the date the requested information is required to be furnished expires, whichever is sooner.

The review will give no deference to the original claim decision. The review will not be made by the person who made the initial claim decision, or a subordinate of that person. When deciding an appeal based in whole or in part upon medical judgment, the Insurance Company will consult with a medical professional having the appropriate training and experience in the field of medicine involved in the medical judgment. Any medical or vocational experts consulted by the Insurance Company for the review will be identified and will not be the expert who was consulted during the initial claim decision or a subordinate of that expert.

During the appeal, the Insurance Company may require a medical examination of the claimant, at its own expense, or additional information regarding the claim. If a medical examination is required, the Insurance Company will notify the claimant of the date and time of the examination and the physician's name and location. If additional information is required, the Insurance Company will notify the claimant, in writing, stating what information is needed and why it is needed.

Before the Insurance Company issues an adverse benefit decision on appeal, if the Insurance Company considered, relied upon, or generated any new or additional evidence in connection with the claim, and/or if the Insurance Company intends to rely on any new or additional rationale in connection with that review, then such evidence and/or rationale will be provided to the claimant, free of charge, as soon as possible and sufficiently in advance of the date that the decision on appeal is required to be made, giving the claimant a reasonable opportunity to respond.

If the claim is approved, the Insurance Company will pay the appropriate benefit. If the claim decision on appeal is adverse, in whole or in part, the Insurance Company will provide written or electronic notice that includes:

1. The specific reason(s) for the decision;
2. Specific reference to the Policy provision(s) on which the decision was based;
3. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claim for benefits;
4. A statement describing any voluntary appeal procedures offered, and the claimant's right to obtain the information about those procedures;
5. A statement of claimant's right to bring a civil action under section 502(a) of ERISA, including a description of any applicable contractual limitations period that applies to the claimant's right to bring such an action, and the calendar date on which the contractual limitations period expires for the claim;
6. A discussion of the decision, including an explanation of the basis for disagreeing with or not following: (i) the views presented by the claimant to the Insurance Company of the health care professionals treating the claimant and vocational professionals who evaluated the claimant; (ii) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the adverse decision, without regard to whether the advice was relied upon in making the adverse decision; and (iii) a disability decision regarding the claimant presented by the claimant to the Insurance Company made by the Social Security Administration;
7. Either the specific internal rules, guidelines, protocols, standards or other similar plan criteria the Insurance Company relied upon in making the decision, or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar plan criteria do not exist;
8. If the adverse decision is based upon medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the decision, applying the terms of the Policy to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request; and
9. A notice provided in a culturally and linguistically appropriate manner, to the extent required by ERISA.

Claims for Non-Disability Benefits (applies to all claims filed on or after April 1, 2018)

A non-disability “claim” is any claim which does not require a determination of disability by the Insurance Company regardless of the type of policy under which it arises (for example, a death claim, an accident claim, etc.). A non-disability claim is “filed” as of the date the Insurance Company first receives, in writing or by telephone (through the Insurance Company’s intake department), notice that a claimant is seeking benefits under the Policy. The notice of claim should include the group Policy holder’s name, the Policy and Certificate number and the claimant’s name and address.

The Insurance Company has 90 days from the date the claim is filed to determine whether or not benefits are payable in accordance with the terms of the Policy. The Insurance Company may require more time to review the claim if special circumstances exist. The review period may be extended for up to one additional 90 day period. If this should happen, the Insurance Company will provide the extension notice in writing, before expiration of the initial decision period, indicating the special circumstances and the date a decision is expected.

During the review period, the Insurance Company may require a medical examination of the claimant, at its own expense, or additional information regarding the claim. If a medical examination is required, the Insurance Company will notify the claimant of the date and time of the examination and the physician’s name and location. If additional information is required, the Insurance Company must notify the claimant, in writing, stating what information is needed and why it is needed.

If the claim is approved, the Insurance Company will pay the appropriate benefit. If the claim decision is adverse, in whole or in part, the Insurance Company will provide written or electronic notice which will include the following information:

1. The specific reason(s) for the claim decision;
2. Specific reference to the Policy provision(s) on which the decision was based;
3. A description of any additional information required to perfect the claim, and the reason this information is necessary; and
4. A description of the review procedures and the time limits applicable to those procedures, including a statement of the claimant’s right to bring a civil action under section 502(a) of ERISA after the claimant appeals and after the claimant receives an adverse decision on appeal.

Appeal of Denied Non-Disability Claims (applies to all claims filed on or after April 1, 2018)

Whenever a claim decision is fully or partially adverse, the claimant must appeal once to the Insurance Company. As part of the claimant’s appeal, the claimant may receive, upon request, free of charge, copies of all documents, records, and other information relevant to the claim for benefits, and the claimant may submit to the Insurance Company, written comments, documents, records, and other information relating to the claim. The review will take into account all comments, documents, records and other information the claimant submits related to the claim, without regard to whether such information was submitted or considered in the initial claim decision. Once an appeal request has been received by the Insurance Company, a full and fair review of the claim appeal will take place.

A written request for appeal must be received by the Insurance Company within 60 days from the date the claimant received the adverse decision. If an appeal request is not received within that time, the right to appeal will have been waived. The Insurance Company has 60 days from the date it receives a request for appeal to provide its decision. Under special circumstances, the Insurance Company may require more time to review the claim and extend the time for decision, once, by an additional 60 days. If this should happen, the Insurance Company will provide the extension notice, in writing, before expiration of the initial decision period, indicating the special circumstances and the date a decision is expected.

If the appeal decision is adverse, in whole or in part, the Insurance Company will provide written or electronic notice that includes:

1. The specific reason(s) for the claim decision;
2. Specific reference to the Policy provision(s) on which the decision was based;
3. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claim for benefits;
4. A statement describing any voluntary appeal procedures offered, and the claimant's right to obtain the information about those procedures, and
5. A statement of the claimant's right to bring a civil action under section 502(a) of ERISA.
